

PROFESSIONAL PROFILE AND BIOGRAPHICAL DATA**Company Secretary, ScottishPower Renewable Energy Limited****Appointment Date:** 16 September 2026**Current professional activities and positions**

Lowri joined ScottishPower in 2020 as a solicitor in ScottishPower Renewables. She advises on property and consenting matters and related issues in connection with the Renewables business, including its onshore and offshore development portfolio across the UK.

Professional and academic training

Lowri holds a Law Degree with Honours from Robert Gordon University and a Diploma in Professional Legal Practice from the University of Edinburgh. She is a qualified solicitor who is registered to practise with the Law Society of Scotland.

Relevant experience for her role in the Company

Lowri has previously worked for Scottish law firms in their clean energy real estate teams. She specialised in all aspects of property and planning matters relating to renewable energy projects, encompassing the full range of legal issues arising from the development, construction and operation of onshore and offshore renewable energy assets.
