# 16. Schedule of Commitments

## 16.1. Introduction

**Chapter 16: Schedule of Commitments**, of the Environmental Impact Assessment (EIA) Report presents a summary of the mitigation, compensation and enhancement measures committed to throughout the EIA Report. All the information contained in **Chapter 16** of the EIA Report remains valid unless stated otherwise in this Additional Environmental Information (AEI) Chapter.

The mitigation proposed (not including embedded mitigation such as the design of the proposed Development itself) within the AEI Report, that is additional to what was presented in **Chapter 16: Schedule of Commitments** of the EIA Report, is set out in **Table 16:1**.

Table 16:1 – AEI Schedule of Commitments

AEI Chapter	Matter / Effect Requiring Mitigation	Timing / Phase	Mitigation Measures
Chapter 14: Socio-Economics, Recreation and Tourism	N/A	Construction / Operation	<p>Southern Upland Way Ranger</p> <p>Support for the employment of a part time seasonal ranger to assist with the management of core footpaths in the area and align with benefit proposed as part of Scottish Power Renewables Harestanes South Windfarm. This will further enhance funding of the two rangers as part of Killgallioch Windfarm.</p>
			<p>Electric Vehicle (EV) Charging Points</p> <p>Installation of EV charging points in Kirkconnel/Kelloholm (subject to Landowner Agreement).</p>
