Technical Appendix 11.2: Assets within Outer Study Area and within 5km of the proposed Development

Asset Ref	Asset Name	Asset Type	Status	Setting	No of tips visible (ZTV)	No of hubs visible (ZTV)	distance to nearest turbine (km)	Magnitude of Impact	Significance of Effect	VP Figure (where Applicable)
SM2503	Ballmalloch, chambered cairn	Prehistoric ritual and funerary: chambered cairn	Scheduled Monument	Moorland setting, in clearing within commercial forestry. Elevated position to north east of Cumnock Burn, with open aspect to southwest. Higher ground to north east limits views in that direction.	18	18	3.28	Low (open aspect view unaffected; turbines visible in views to north and in backdrop to views of cairn but screened by forestry and seen in context of commercial forestry and operational Mark Hill Wind Farm)	Minor	Fig 11.5
SM10922	Suie tollhouse, 670 m SW of Kirriereoch Farm	Secular: toll house	Scheduled Monument	Localised setting (secular: toll house)	18	18	3.67	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	
11499	Roughlea Burn	Cairn	NSR Site	Commercial forestry setting, adjacent to haul road and forestry borrow pit. Open aspect long views towards southwest, now obscured by forestry. Rising ground to north east.	6	4	0.70	Low (visibility of turbines largely screened by topography and by forestry; site enclosed by trees; setting already adversely compromised by borrow pit and forestry)	Minor	
11677	Cairn Hill, Barr	Cairn	NSR Site	Prominent hilltop setting on Cairn Hill with views all round. Main open aspect view to north east to sea, include Ailsa Craig, Arran and Kintyre peninsular. Slight rise in ground to south directs view to north and north east.	18	15	0.84	Medium (proximity of turbines in view to south; partly screened by topography, set against backdrop of operational wind farms)	Moderate (due to proximity of turbines in foreground view to south)	Fig 11.9
11635	Drumneillie Hill / High Lagganmonie	Farmstead	NSR Site	Localised setting (secular: post-medieval farmstead)	13	7	1.37	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	

Asset Ref	Asset Name	Asset Type	Status	Setting	No of tips visible (ZTV)	No of hubs visible (ZTV)	distance to nearest turbine (km)	Magnitude of Impact	Significance of Effect	VP Figure (where Applicable)
11502	Mark	Farmstead; Rig	NSR Site	Localised setting (secular: post-medieval farmstead)	6	4	1.99	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	
11501	Half Merk	Farmstead; Kiln; Rig; Field	NSR Site	Localised setting (secular: post-medieval farmstead)	18	18	2.06	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	
13058	Half Merk / Blackclachrie	Small Cairn	NSR Site	Lies within clearing in commercial forestry on south-facing slope with rising ground to north.	18	16	2.62	Low (open aspect view unaffected; turbines visible in views to north and in backdrop to views of cairn but screened by forestry and seen in context of commercial forestry and operational Mark Hill Wind Farm)	Minor	
11663	Standard / Black Clachrie Cairn.	Cairn	NSR Site	Lies within open ride in commercial forestry, closely enclosed by planting to north west and southeast. Open aspect view to southeast obscured by forestry.	18	18	2.66	Low (open aspect view unaffected; turbines visible in views to north and in backdrop to views of cairn but screened by forestry and seen in context of commercial forestry and operational Mark Hill Wind Farm)	Minor	
11664	Standard	Hut-circle; Small Cairn	NSR Site	Localised setting (prehistoric domestic settlement)	15	13	2.68	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	
11514	Kilbride Knowe, Mark	Enclosure; 'Cairn'	NSR Site	Localised setting (enclosure of post medieval date and part of wider field system (11506) on southeast facing slope)	12	7	2.75	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	

Asset Ref	Asset Name	Asset Type	Status	Setting	No of tips visible (ZTV)	No of hubs visible (ZTV)	distance to nearest turbine (km)	Magnitude of Impact	Significance of Effect	VP Figure (where Applicable)
13086	Knockittis Burn / Blackclauchrie	Burnt Mound	NSR Site	Localised setting (adjacent to watercourse)	9	6	2.82	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	
11506	Kilbride Knowe	Farmstead; Rig; Head-dyke	NSR Site	Localised setting (secular: post-medieval farmstead)	10	7	2.91	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	
11661	Cairnfore, Kirriereoch	Cairn	NSR Site	Moorland setting in area of felled forestry and adjacent to later sheepfold/enclosures. Open aspect to southeast over Water of Minnoch valley. Intervisible with Tarfessock Cairn (11660).	18	4	3.26	Negligible (visibility of turbines largely screened by topography and additionally by intervening forestry; intervisibility with Tarfessock Cairn (11660) not interrupted; association with Minnoch Water not adversely affected)	Minor	Fig 11.10
11666	Clauchrieskaig	Farmstead; Kiln; Rig; Head-dyke; Field-system; Structure	NSR Site	Localised setting (secular: post-medieval farmstead)	8	7	3.29	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	
11523	Balmalloch	Small Cairns	NSR Site	Localised moorland setting in clearing in commercial forestry. Close association with Balmalloch Chambered Cairn (SM2503).	18	18	3.41	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	(e.g. Fig 11.5)
11522	Darnaconnar	Cairn; Small Cairns; Rig, Pre-improvement settlement (possible)	NSR Site	Moorland setting, in clearing within commercial forestry, southwest of deserted farmstead. Elevated position with open aspect long view to south west but having views all round.	18	18	3.43	Low (open aspect view unaffected; turbines visible in views to north and in backdrop to views of cairn but screened by forestry and seen in context of commercial forestry and operational Mark Hill Wind Farm)	Minor	

Asset Ref	Asset Name	Asset Type	Status	Setting	No of tips visible (ZTV)	No of hubs visible (ZTV)	distance to nearest turbine (km)	Magnitude of Impact	Significance of Effect	VP Figure (where Applicable)
13096	Knockittis Burn / Blackclauchrie	Burnt Mound	NSR Site	Localised setting (adjacent to watercourse)	18	15	3.50	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	
13091	Clauchrierob / Blackclauchrie	Burnt Mounds	NSR Site	Localised setting (adjacent to watercourse)	17	8	3.65	Negligible (localised setting; visibility of turbines screened by topography; views out from asset not an important contributor to cultural significance)	Minor	
11660	Tarfessock	Cairn	NSR Site	Lies within small clearing in commercial forestry surmounted by later sheepfold. Open aspect to west over Minnoch Water valley. Rising ground to east limits views in that direction. Intervisible with Cairnfore Cairn (11661).	18	13	3.66	Low (turbines visible in view to west in context of commercial forestry; intervisibility with Cairnfore cairn (11661) not interrupted; association with Minnoch Water not adversely affected)	Minor	
13090	Clauchrierob / Blackclauchrie	Farmstead; Rig; Field-system; Head-dyke; Structure	NSR Site	Localised setting (secular: post-medieval farmstead)	18	16	3.69	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	
11676	Pinbreck Hill	Cairn	NSR Site	Prominent hilltop setting with views all round	5	1	4.44	Negligible (visibility of turbines in long distance views almost entirely screened by topography)	Minor	Fig 11.11
11623	Kirkdominae	Chapel; Well	NSR Site	Localised setting (riverside location within woodland; well lies 250 m to north west)	9	6	4.65	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Minor	
11641	Kirkland	Farmstead; Cultivation Remains; Kiln (possible)	NSR Site	Localised setting (secular: post-medieval farmstead)	14	13	4.99	Negligible (localised setting; views out from asset not an important contributor to cultural significance)	Minor	

Asset Ref	Asset Name	Asset Type	Status	Setting	No of tips visible (ZTV)	No of hubs visible (ZTV)	distance to nearest turbine (km)	Magnitude of Impact	Significance of Effect	VP Figure (where Applicable)
11534	Laggan	Cairn	NSR Site	Set on low hill within commercial forestry and close to unnamed tributary of Feoch Burn. Formerly within small clearing in commercial forestry.	18	18	5.02	Low (open aspect view unaffected; turbines visible in views to north and in backdrop to views of cairn but screened by forestry and seen in context of commercial forestry and operational Mark Hill Wind Farm)	Minor	
LB1024	Alton Albany	Residential Country House	Category B Listed Building	Localised setting (riverside location in woodland setting southwest of Barr village)	3	0	4.44	Negligible (localised setting; visibility of turbines almost entirely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible	
LB1027	Kirk Dominal	Chapel	Category B Listed Building	Localised setting (riverside location within woodland)	9	6	4.65	Negligible (localised setting; visibility of turbines largely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible	
LB1029	Stinchar Bridge	Road bridge over River Stinchar	Category B Listed Building	Localised setting (village/CA)	6	2	4.70	Negligible (localised setting; visibility of turbines almost entirely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible	
LB1031	Burnlea, Gregside, an empty house adjoining King's Arm's Hotel. (4 dwellings in all)	Residential Village Houses	Category B Listed Building	Localised setting (village/CA)	4	2	4.65	Negligible (localised setting; visibility of turbines almost entirely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible	
LB1034	Gregholm	Residential VillageHouse	Category B Listed Building	Localised setting (village/CA)	1	0	4.52	Negligible (localised setting; visibility of turbines almost entirely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible	

Asset Ref	Asset Name	Asset Type	Status	Setting	No of tips visible (ZTV)	No of hubs visible (ZTV)	distance to nearest turbine (km)	Magnitude of Impact	Significance of Effect	VP Figure (where Applicable)
LB101	Lodge to Alton Albany	Gate Lodge	Category C Listed Building	Localised setting (gatelodge, in roadside location)	6	3	4.72	Negligible (localised setting; visibility of turbines almost entirely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible	
LB102	The Jolly Shephard Hotel	Inn	Category C Listed Building	Localised setting (village/CA)	3	1	4.62	Negligible (localised setting; visibility of turbines almost entirely screened by topography; views out from asset not an important contributor to cultural significance)	Negligible
