

East Anglia One

NOTICE TO MARINERS

No. 9/2018

East Anglia ONE Limited

Confirmed Unexploded Ordnance

Please be advised that confirmed unexploded ordnance has been identified at the following as found coordinates:

52° 17.178'N, 002° 32.917'E

In the interim period prior to disposal all vessels are advised to avoid the item's location by a 300m radius from the position highlighted above. A larger safety distance will be implemented during positive EOD operations and this will be notified in due course.
