

East Anglia One

NOTICE TO MARINERS

No. 28/2018

East Anglia ONE Limited

Confirmed Unexploded Ordnance

Please be advised that confirmed unexploded ordnance has been identified at the following as found coordinates:

In the interim period prior to disposal all vessels are advised to avoid the item's locations by a 300m radius from the position highlighted above. A larger safety distance will be implemented during positive EOD operations and this will be notified in due course.
