No. 33/2018

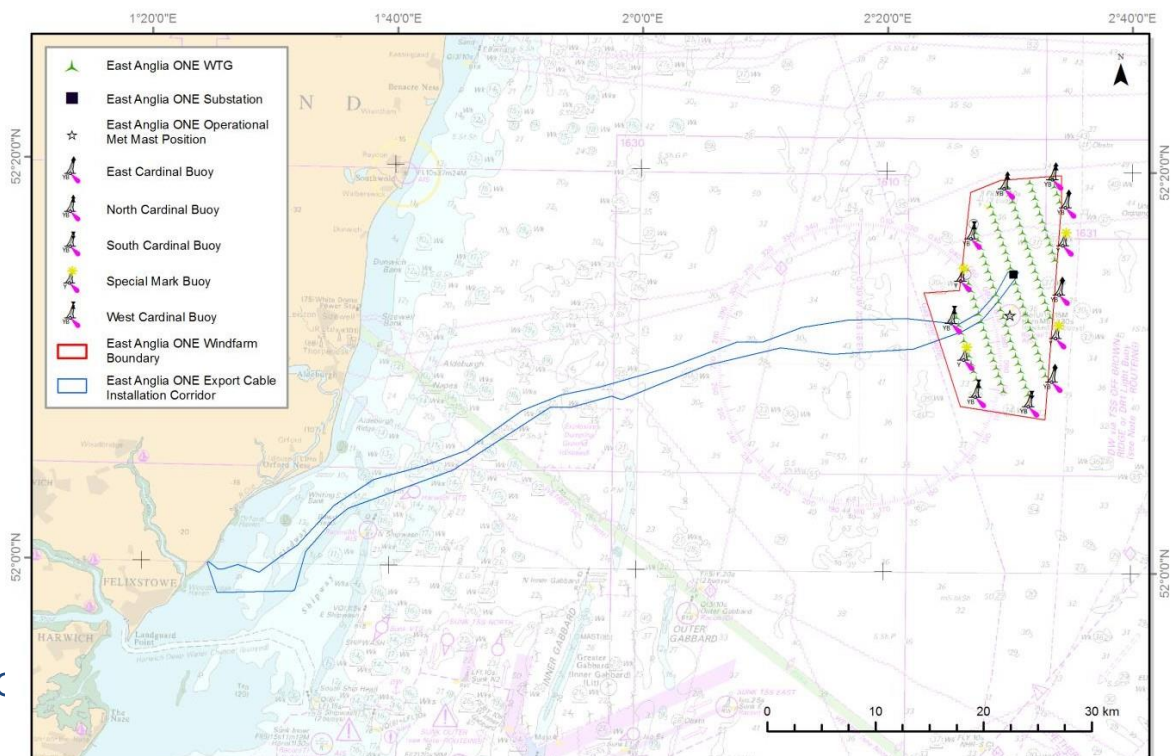

### East Anglia ONE Limited

### East Anglia One Near Shore Diving.

Please be advised the DSV Edradour is expected to commence diving operations at the East Anglia One near Shore export cable route.

The vessel will be conducting diving operations in the near shore area off the coast of Bawdsey and will display the correct lights and shapes associated with this type of operation.

The vessel can be contacted on VHF channel 16 throughout and will require a 500m radius exclusion zone with permission to enter being given direct between the vessels.
