

SCOTTISHPOWER RENEWABLES (UK) LTD

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that ScottishPower Renewables (UK) Ltd, (company registration number NI028425 registered address The Soloist, 1 Lanyon Place, Belfast, Northern Ireland, BT1 3LP) has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate Sheirdrim Renewable Energy Development on land approximately 11 km south of Tarbert on the Kintyre Peninsula in Argyll and Bute (Central Grid Reference 181302, 657098). The proposed Development would have an installed capacity in excess of 100 MW comprising up to 19 turbines with a ground to blade tip height of up to 149.9 metres, with an installed capacity of around 114 MW and two ground mounted solar arrays with an installed capacity of around 20 MW, producing a combined output of around 134 MW. A battery storage facility would also be installed with storage capacity of around 38 MW of energy. The proposed Development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

ScottishPower Renewables (UK) Ltd has now submitted additional information to Scottish Ministers comprising information relating to cultural heritage. Details of other correspondence with key stakeholders for the purposes of clarifying matters within the application documents is also included for completeness but does not form part of this consultation.

The additional information can be viewed on the application website at https://www.scottishpowerrenewables.com/pages/sheirdrim_renewable_energy_development.aspx; or at www.energyconsents.scot.

Copies of the information may be obtained from ScottishPower Renewables (UK) Ltd (telephone: 0141 614 0451) at a charge of £50 hard copy and £15 on CD/DVD or USB.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than 10th January 2021, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information and all views and representations received, Scottish Ministers will determine this application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

All previous representations received in relation to this development remain valid.
