Client:  
**Taylor Woodrow**

Drawing Title:  
ACCESS 10  
Snape Road  
IP17 1UT

Traffic Management (TM) Notes:  
1) This drawing has been produced in accordance with TM industry guidance, but may also contain deviations in design due to highway authority demands, site constraints or to meet the requirements of the named client;  
2) This TM plan is a guide for highway authorities to assess for roadspace applications and to assist TM crews for the purposes of installation. At the point of installation the TM foreman/supervisor is responsible for ensuring the design of the TM meets the on-site requirements and is safe and may therefore make adjustments as necessary following an on-site risk assessment.  
3) All dimensions are in metres unless otherwise stated.  
4) All carriageway widths for running lanes through the site to be a minimum of 3.25m wide unless otherwise highlighted.  
5) All pedestrian walkways shall be 1.2m minimum unobstructed width unless otherwise highlighted.  
6) This TM drawing is a proposal to be accepted and agreed by the relevant highway authority.  
7) Traffic sign signs indicated on this drawing are illustrative only and the contractor or subcontractor installing signs must ensure all installed signs meet all requirements of the TSRGD and TSM. All signs must meet the required xht, reflectivity, colour, legend, size, placement for the given road and secured accordingly.  
8) This drawing is not to be copied or used in whole or part without the permission of ETMS Highways.
