
RAFAEL DE ICAZA DE LA SOTA

Head of Control & Administration Global Renewables Business

Head of Control & Administration for the Global Renewables Business. Member of the Executive Renewables Committee.

He graduated in Economics and Business Studies from the Universidad Comercial de Deusto.

NOTEWORTHY EXPERIENCE FOR THE HOLDING OF HIS POSITIONS AT SCOTTISHPOWER RENEWABLES

He acted as the Head of Control & Administration for the Global Renewables Business from January 2001 to August 2010, and again since September 2017.

He has a long track record in the Iberdrola Group, which he joined in 1989. In 2000, he was appointed Head of Control & Administration for the International Business. In 2001 he continued his role as Head of Control & Administration, but this time for the Global Renewables Business. From September 2010 to September 2017 he acted as Deputy Manager for Global Internal Audit.

His professional track record began at ERCOSA, a copper producer, where he worked from 1984 until February 1989. His principal role was in Control & Administration.
