

# Benefitting the local community

Our Harestanes Windfarm community benefit fund provided **£15,000 seed funding** enabling the resident-led Nith Valley Leaf Trust (NVLT), to secure further funding to develop and construct three affordable, family-sized, energy efficient Passivhaus certified rental properties in the community of Closeburn.

**£15,000**

At Coldham Windfarm, Fenland District Council has contributed **£3,861** to Resource Futures Ltd to assist in the delivery of an online recycling education campaign to promote sustainability and encourage lasting behavioural changes.
